EXHIBITORS PLEASE NOTE

The Japanese Akita

The Japanese Akita as a breed no longer exists. There are now two breeds; Great Japanese Dog and Akita Inu - both these breeds have their own standards. Once a dog has been assessed as being of either of the two breeds it can be shown in the appropriate classes.

This means that in future both breeds should be classified in the schedule and there should be an identical classification for those dogs yet to be assessed. (**Class 1 Akita Inu, Class 2 American Akita and Class 3 Akita Inu/American Akita (not yet assessed)**)

At all shows where there are entries of unassessed Akitas; three of the assessors on the panel drawn up by the Irish Kennel Club will be asked to attend and divide the dogs prior to the judging of the breeds.

Videos

It is a Kennel Club regulation that permission must be sought from the Show promoting body for the use of video or other recording equipment. Permission must also be obtained from the judge in the ring on the day.

(Subject to Regulation 13 page 3)

EXHIBITORS PLEASE NOTE — FOULING

Please keep in mind I.K.C. Rule, if your dog fouls the venue and you do not clean it up you will be fined €100/£100 This year's committee will strictly enforce this rule. Save yourself money and clean up after your dog, and at the same time you will be assured of a comfortable venue to show your dog next year.
